CHAINED FOR TEN YEARS

There is nothing like Asthma. It brings instant relief, even in the worst case. It cures when all else fails.

Rev. C. F. Wells of Villa Ridge, Ill., says: "Your trial bottle of Asthmaleone received in good condition. I can not tell you how thankful I feel for the good derived from it. I was a slave, chained with putrid sore throat and asthma for ten years. I despaired of ever being cured. I saw your advertisement for the cure of this dreadful and tormenting disease—asthma—and thought you had overspoken yourselves, but resolve to give it a trial. To my astonishment it acted like a charm. Send me a full size bottle."

Rev. Dr. Morris Wechsler, rabbi of the Cong. B'nai Israel, New York, under date of Jan. 1, 1901, writes: "Dr. Taft Bros' Medicine Co., Gentlemen—Your Asthmaleone is an excellent remedy for asthma and hay fever, and its composition alleviates all the troubles which combine with asthma. Its success is astonishing and wonderful. After having it carefully analyzed we can state that Asthmaleone contains no opium, morphine, chloroform, or other entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this most distressing disease."

Very truly yours,
Rev. Dr. MORRIS WECHSLER.

Avon Springs, N. Y., February 1, 1901.

Dr. Taft Bros' Medicine Co.:
Gentlemen—I write this testimonial from a sense of duty, having tested the wonderful effect of your Asthmaleone for the cure of asthma. My wife has been afflicted with spasmodic asthma for the past twelve years. Having exhausted my own skill as that of many others, I changed to see your sign upon your window on 130th street, New York, I at once obtained a bottle of Asthmaleone. My wife began taking it about the first of November. I very soon noticed a radical improvement. After using one bottle her asthma disappeared and she is entirely free from all symptoms. I feel that I can consistently recommend the medicine to all who are afflicted with this most distressing disease.

Yours respectfully,
O. D. PHELPS, M. D.

67 East 130th street, New York City, February 5, 1901.

Dr. Taft Bros' Medicine Co.:
Gentlemen—I was troubled with asthma for 22 years. I have tried numerous medicines but they all failed. I ran across your advertisement and started with trial bottle, and I found relief at once. I have since purchased your full size bottle, and am very grateful. I have a family of four children and for six years was unable to work. I am now in the best of health and am doing business every day. This testimony you can make such use of as you see fit.

A Village Blacksmith Saved His Little Son's Life.

Mr. H. H. Black, the well-known village blacksmith at Grahamsville, Sullivan county, New York, says: "Our little son, five years old, has always been subject to croup, and so bad have the attacks been that we have feared many times that he would die. We have had the doctor and used many medicines, but Chamberlain's Cough Remedy is now our sole reliance. It seems to dissolve the tough mucus and by giving frequent doses when the croupy symptoms appear we have found that the dreaded croup is cured before it gets settled." There is no danger in giving this remedy for it contains no opium or other injurious drug and may be given as confidently to a babe as to an adult. For sale by City Drug Store.
